OU Medicine (Careers)
careers.oumedicine.com

I provided all front-end development using the Razor templating engine for accessibility-friendly HTML, CSS (Sass), and JavaScript.

Olive Garden (Jobs)
jobs.olivegarden.com

I provided all front-end development using the Razor templating engine for accessibility-friendly HTML, CSS (Sass), and JavaScript.

American Salon
americansalon.com

I provided all front-end development with site-building & custom theming using CSS (Sass), JavaScript (jQuery). This site is part of a multi-site platform I helped developed with Drupal.
